Dear Mr. Stedman:

Re: Active Energy Corp. – Order A-7-12
Customer Choice Program

On April 3, 2012, the British Columbia Utilities Commission (Commission) issued Order A-7-12 amending Active Energy Corp.'s Gas Marketer Licence to include additional conditions for the period of April 3, 2012 to October 31, 2012. One of the conditions is that on-site visits by Head Office to the BC Sales office(s) are to take place at a minimum of once each quarter.

On September 26, 2012, Active Energy Corp. requested that the Commission extend the deadline for Head Office to visit the BC Sales office(s), from September 30, 2012 to October 5, 2012, given that Active Energy Corp.'s COO and CEO will be in BC that week for an Oral Hearing with the Commission. The Commission finds this request to be reasonable and hereby extends Active Energy Corp.'s deadline for an on-site visit by Head Office to the BC Sales office(s) from September 30 to October 5, 2012.

Yours truly,

Erica Hamilton
