Dear Ms. Kennedy:

Re: Pacific Northern Gas Ltd. and Pacific Northern Gas (N.E.) Ltd.
2013 Revenue Requirements Application

The British Columbia Utilities Commission (Commission) is in receipt of your September 19, 2012 letter requesting approval to include the Cost Allocators and Level of Share Service Cost Recovery Application (Shared Service Application) as part of your 2013 Revenue Requirements Application (2013 RRA), and informing the Commission that you will not be filing any capital structure and return on equity evidence as part of the 2013 RRA.

The Commission approves the request to file the Shared Service Application as part of the 2013 RRA, and acknowledges the notification that no capital structure and ROE evidence will be filed as part of that Application.

Yours truly,

Erica Hamilton
