Commission Order E-13-13
Revised Capital Expenditures Estimate for Interconnection Facilities
for the Greater Vancouver Sewerage & Drainage District Biomethane Project**

BEFORE: L.A. O'Hara, Commissioner October 24, 2013

O R D E R

WHEREAS:

- A. On August 16, 2013, FortisBC Energy Inc. (FEI) filed with the British Columbia Utilities Commission (Commission) an application (Application) under section 71 of the *Utilities Commission Act* (UCA) for acceptance of an executed Biomethane Purchase Agreement between FEI and Greater Vancouver Sewerage and Drainage District (GVS&DD) dated October 16, 2012 (Agreement);
- B. In the Application, FEI also requested the acceptance under Section 44.2 of the UCA of capital costs of \$739,000 for the interconnection facilities associated with the Agreement;
- C. On August 23, 2013 Commission Order G-130-13 established a Regulatory Timetable for review of the Application by way of a Streamlined Review Process (SRP);
- D. The SRP for the review of the Application took place on September 25, 2013. FEI and the following Registered Interveners participated: GVS&DD, the Commercial Energy Consumers Association of British Columbia, B.C. Sustainable Energy Association, and Paradigm Environmental Technologies Inc.;
- E. On September 30, 2013, the Commission issued Order E-13-13 and accompanying Reasons in which the Commission accepted the Agreement for filing under Section 71 but did not accept capital expenditures of \$739,000 related to the interconnection facilities required for the GVS&DD project. In Order E-13-13 the Commission stated that it would accept capital expenditures of \$611,000 or less;
- F. On October 21, 2013, FEI filed a revised capital expenditures estimate for interconnection facilities for the GVS&DD biomethane project of \$604,000 (Compliance Filing); and
