- C. BC Hydro submits the Statutory Holiday definitions in the transmission service rate schedules and TS No. 54 currently exclude Family Day, since this holiday did not exist when these tariffs were originally approved or last amended. BC Hydro is making this house-keeping application to include Family Day in the Statutory Holiday definition contained in these tariffs;
- D. The Commission has reviewed the Application and considers that the amendment to the definition of Statutory Holiday is warranted.

NOW THEREFORE the Commission approves the Application to amend the definition of Statutory Holiday to include Family Day in the transmission service rate schedules and Tariff Supplement No. 54, effective on the date of this Order.

DATED at the City of Vancouver, in the Province of British Columbia, this 7th day of February 2013.
