Dear Ms. Fraser:

Re: British Columbia Hydro and Power Authority  
Remote Community Electrification Program – 2013 Annual Report  
Extension Request

---

On December 13, 2013, British Columbia Hydro and Power Authority (BC Hydro) sent a letter to the BC Utilities Commission requesting an extension for the filing of its 2013 Remote Community Electrification Program Annual Report from December 15, 2013 to May 15, 2014. In this final report BC Hydro should advise whether any further reporting on this matter is of value to the Commission or the Interested Parties.

The Commission approves the extension request but would like to remind BC Hydro that it should request an extension well before the due date so the Commission can take action on the request before the deadline occurs.

Yours truly,

Erica Hamilton
