**WHEREAS:**

- A. On November 30, 2000, by Order G-110-00, the British Columbia Utilities Commission (Commission) set (among other charges) the Balancing Charge for BC Gas Utility Ltd. (now FortisBC Energy Inc. or FEI) Rate Schedules 23, 25 and 27 to be based on the average for the month of the Sumas Daily Price, and directed that FEI address the appropriate level for the Balancing Charge in the FEI 2001 Rate Design Application (2001 RDA);
- B. On November 7, 2001, by Order G-116-01, the Commission approved the FEI Negotiated Settlement Agreement in the 2001 RDA, which made no changes to the Balancing Charge, and invited FEI to bring forward proposals for change should it be demonstrated that the services provided were being used in an inappropriate manner;
- C. On November 26, 2009, by Order G-141-09, the Commission accepted the Negotiated Settlement Agreement (NSP) in the Terasen Gas Inc. (now FEI) 2010 and 2011 Revenue Requirements and Delivery Rates application as approved. The NSP included (among other things) Rate Schedule 26 NGV Transportation Service, effective January 1, 2010, and set the charges, including the Balancing Charge, to be based on the average for the month of the Sumas Daily Price;
- D. On February 26, 2014, by Order G-21-14, the Commission determined that the FortisBC Energy Utilities' (FEU) application for Reconsideration and Variance of Order G-26-13 on the FEU Common Rates, Amalgamation and Rate Design application should be referred to the Lieutenant Governor in Council for approval to amalgamate;
- E. On May 13, 2014, FEI applied to the Commission for approval to increase the existing Charge per Gigajoule (GJ) of Balancing Gas supplied in Rate Schedules 23, 25, 26 and 27, to the Sumas Daily Price Average for the Month plus \$0.10 per GJ, effective January 1, 2015 (Application). FEI states the proposed effective date of January 1, 2015 is to intended to coincide with the planned effective date of the gas utilities amalgamation and to ensure consistent treatment for all transportation customers;
