Dear Ms. Fraser:

Re: British Columbia Hydro and Power Authority  
Lake Buntzen 2 Generating Station Cease of Operations  
Extension Request

---

On November 26, 2013, British Columbia Hydro and Power Authority (BC Hydro) sent a letter to the British Columbia Utilities Commission (Commission) requesting an extension for the filing of its next Lake Buntzen 2 (LB2) Generating Station Update Report from April 1, 2014 to September 30, 2015.

The Commission grants the extension and requests BC Hydro to advise the Commission in the next report on the value of any additional reporting. The recommendation should give due consideration to any possible safety risk(s) discovered during the internal inspection of the LB2.

Yours truly,

Erica Hamilton
