

ORDER NUMBER
R-34-18

IN THE MATTER OF
the *Utilities Commission Act*, RSBC 1996, Chapter 473

and

WESCUP
Application for Acceptance of a Mitigation Plan required for
Compliance with Mandatory Reliability Standard:
PRC-005-1 Requirement 1 – Violation ID: BCUC2017000632

BEFORE:
W. M. Everett, QC, Commissioner

on September 26, 2018

ORDER

WHEREAS:

- A. On September 13, 2018, the Western Electricity Coordinating Council (WECC), acting as the Administrator for the British Columbia Mandatory Reliability Standards Program (BC MRS Program), issued a Recommendation of Mitigation Plan (MP) Acceptance (Recommendation) to bring WESCUP into compliance with the reliability standard identified above;
- B. Section 125.2 of the *Utilities Commission Act* (UCA) assigns exclusive jurisdiction to the British Columbia Utilities Commission (BCUC) to determine whether a “reliability standard,” as defined in the UCA, is in the public interest and should be adopted in British Columbia;
- C. By Order G-123-09, the BCUC appointed WECC as its Administrator for registration and monitoring compliance pursuant to section 8 of the UCA. The Administration Agreement between WECC and the BCUC was signed on October 8, 2009, and WECC’s role as Administrator for the BC MRS Program was renewed in the first amended Administration Agreement, dated August 21, 2014;
- D. BCUC Order G-123-09 also approved the Compliance Monitoring Program (CMP) for monitoring and enforcement of adopted reliability standards and most recent revisions to the CMP were approved by BCUC Order R-40-17, dated September 1, 2017;
- E. Pursuant to section 5.1.1 of the CMP, an entity subject to approved Mandatory Reliability Standards found in Confirmed Violation of a reliability standard must prepare an MP to correct the Confirmed Violation or prepare a description of how the Confirmed Violation has been mitigated. Pursuant to section 5.3.2 of the CMP, an MP with respect to a Confirmed Violation must be submitted to the Administrator within ten days following confirmation by the BCUC;

- F. An MP with respect to a Possible Violation or an Alleged Violation may be submitted at any time and the BCUC encourages entities to mitigate all perceived instances of noncompliance upon detection;
- G. On May 24, 2018, WESCUP submitted an MP to address the Possible Violation PRC-005-1 R1 with the proposed completion date as shown below; and

Reliability Standard	BCUC Violation ID	Date MP Submitted to WECC	Proposed Completion Date
PRC-005-1 R1	BCUC2017000632	May 24, 2018	September 14, 2018

- H. The BCUC reviewed WECC's Recommendation and considers that acceptance of the MP is warranted.

NOW THEREFORE pursuant to section 125.2(10) of the UCA and in accordance with the CMP, the BCUC accepts the MP with the proposed completion date as identified above.

DATED at the City of Vancouver, in the Province of British Columbia, this 26th day of September 2018.

BY ORDER
