

**ORDER NUMBER
G-192-18**

IN THE MATTER OF
the *Utilities Commission Act*, R.S.B.C. 1996, Chapter 473

and

British Columbia Hydro and Power Authority
Order of the Lieutenant Governor in Council No. 512
and the Direction Respecting Liquefied Natural Gas Customers –
Rate Schedules 1823, 1825, 1827, and 1852

BEFORE:

D. M. Morton, Commissioner

on October 9, 2018

ORDER

WHEREAS:

- A. On October 2, 2018, the Lieutenant Governor in Council approved Order in Council (OIC) No. 512 and the Direction to the British Columbia Utilities Commission (BCUC) Respecting Liquefied Natural Gas Customers (Direction). Section 3(2) of the Direction requires the BCUC, as soon as practicable, to issue an order so that the British Columbia Hydro and Power Authority (BC Hydro) can amend Rate Schedules 1823 – Transmission Service Stepped Rate, 1825 – Transmission Service Time of Use Rate, 1827 Transmission Service – Rate for Exempt Customers and 1852 – Transmission Service Modified Demand, to remove the following provision:

Transmission service, within the meaning of the Direction Respecting Liquefied Natural Gas Customers, may not be provided under this rate schedule;

- B. The Direction issued by the Lieutenant Governor in Council provides direction to the BCUC with respect to implementing the British Columbia Government's policy related to the provision of electricity service to liquefied natural gas customers; and
- C. The BCUC has considered the Lieutenant Governor in Council OIC No. 512 and the Direction and makes the following determinations.

NOW THEREFORE pursuant to OIC No. 512 dated October 2, 2018 and the Direction to the BCUC Respecting Liquefied Natural Gas Customers issued under section 3 of the *Utilities Commission Act*, the BCUC orders as follows:

1. BC Hydro is directed to file, within 30 days of this order, an application including amended tariff pages for Rate Schedules 1823, 1825, 1827 and 1852 to remove the following provision: "Transmission service, within

the meaning of the Direction Respecting Liquefied Natural Gas Customers, may not be provided under this rate schedule."

DATED at the City of Vancouver, in the Province of British Columbia, this 9th day of October 2018.

DIRECTION RESPECTING LIQUEFIED NATURAL GAS CUSTOMERS

Definitions

- 1** In this direction:
- “Act”** means the *Utilities Commission Act*;
 - “LNG customer”** means a customer who receives transmission service from the authority;
 - “LNG facility”** means a facility that liquefies natural gas;
 - “transmission service”** means an electricity supply of 60 kV or higher provided by the authority for the operation of an LNG facility.

Application

- 2** This direction is issued to the commission under section 3 of the Act.

Rates

- 3**
- (1) On application by the authority, the commission must allow the authority to rescind one or both of the following:
 - (a) Electric Tariff Supplement No. 91, Tilbury Island Liquid Natural Gas Facility Electricity Supply Agreement;
 - (b) Electric Tariff Supplement No. 92, Tilbury Island Liquid Natural Gas Facility Load Interconnection Agreement.
 - (2) The commission, as soon as practicable after this direction comes into force, must issue an order so that the authority amends rate schedules 1823, 1825, 1827 and 1852 to remove the following provision:

Transmission service, within the meaning of the Direction Respecting Liquefied Natural Gas Customers, may not be provided under this rate schedule.
 - (3) The commission may not do the following, except on application by the authority or as directed under section 3 of the Act:
 - (a) set any rates in respect of transmission service for LNG customers, other than the rates applicable under rate schedules 1823, 1825, 1827 or 1852;
 - (b) amend rate schedule 1823, 1825, 1827 or 1852 so that the application of any of those rate schedules in respect of LNG customers is different from their application in respect of other customers entitled to receive service under those rate schedules.
