**ORDER**

**WHEREAS:**

- A. On November 29, 2018, Kinder Morgan Canada (Jet Fuel) Inc. (KMJF) filed with the British Columbia Utilities Commission (BCUC) an application for approval of Tariff No. 40, which extends the existing terms of service and tolls payable for the transportation of turbine fuel to Vancouver International Airport and the Burnaby Terminal (Application), effective January 1, 2019;
- B. By Order P-1-18 dated December 14, 2018, the BCUC approved, on an interim and refundable basis, KMJF's Application effective January 1, 2019 to the earlier of December 31, 2019, or the parties reaching a mutual agreement;
- C. By Order P-1-18, the BCUC also established a public written submission process and a regulatory timetable to explore stakeholders' submissions or other potential issues;
- D. By letter dated December 27, 2018, KMJF requested a three-day extension to file its responses to BCUC Information Request No. 1, citing absence of personnel best able to provide the required information;
- E. By Order P-2-18, the BCUC approved an amended regulatory timetable further to KMJF's extension request;
- F. By letter dated January 10, 2019, Parkland Fuel Corporation noted that stakeholders may not be in a position to adequately comment on KMJF's submission due to the shipper's meeting being scheduled after the stakeholder submission deadline set in the previously amended regulatory timetable; and
- G. The BCUC has reviewed Parkland Fuel Corporation's request and considers that further amendment to the regulatory timetable is warranted.

**NOW THEREFORE** the BCUC orders that the regulatory timetable established by Order P-1-19 is amended, as set out in Appendix A to this order.

**DATED** at the City of Vancouver, in the Province of British Columbia, this 11th day of January 2019.
