ORDER

WHEREAS:

- A. On November 29, 2018, Kinder Morgan Canada (Jet Fuel) Inc. (KMJF) filed with the British Columbia Utilities Commission (BCUC) an application for approval of Tariff No. 40, which extends the existing terms of service and tolls payable for the transportation of turbine fuel to Vancouver International Airport and the Burnaby Terminal (Application), effective January 1, 2019;
- B. By Order P-1-18 dated December 14, 2018, the BCUC established a public written submission process and a regulatory timetable to explore stakeholders' submissions or other potential issues and approved, on an interim and refundable basis, KMJF's Application effective January 1, 2019 to the earlier of December 31, 2019, or the parties reaching a mutual agreement;
- C. By Orders P-2-18, P-1-19, P-2-19, P-3-19A, P-4-19 and P-5-19, the regulatory timetable was amended to address submissions from KMJF and stakeholders regarding further regulatory process and extension of the regulatory timetable as established by Order P-1-18;
- D. By April 24, 2019, the Vancouver Airport Fuel Facilities Corporation (VAFFC) and Parkland Fuel Corporation (Parkland) registered as interveners in the proceeding;
- E. On September 10, 2019, VAFFC filed an application seeking further and better information request (IR) responses from KMJF (IR Application);
- F. By Orders P-8-19 and P-9-19, the BCUC amended the regulatory timetable to accommodate the IR Application;
- G. On November 19, 2019, the BCUC issued Order P-10-19 with accompanying Reasons for Decision, which directed KMJF to file further and better answers to specific IRs and amended the regulatory timetable for review of the Application;

- H. By Order P-11-19 and Order P-12-19, the BCUC further amended the regulatory timetable as established by Order P-10-19;
- I. By Letter dated December 19, 2019, VAFFC filed a request with the BCUC that the regulatory timetable be adjourned and for the BCUC to direct KMJF to file outstanding documents the BCUC had directed KMJF file in Order P-10-19;
- J. On January 6, 2020, Pembina Pipeline Corporation informed the BCUC that it had acquired KMJF, including the Jet Fuel Line, and changed the name to PKM Canada (Jet Fuel) Inc. (PKMJF);
- K. On March 12, 2020, pursuant to Order P-1-20, which adjourned the proceeding for 60 days, PKMJF filed a letter submitting no amendments to the Application were necessary because of the acquisition and requesting resumption of the proceeding;
- L. On April 9, 2020, the BCUC issued Order P-2-20 with accompanying Reasons for Decision, which directed PKMJF to file further and better answers to specific IRs and amended the regulatory timetable for review of the Application;
- M. On May 29, 2020, VAFFC filed a letter with the BCUC requesting that the regulatory timetable be amended further to allow a reasonable amount of time to review PKMJF's IR responses and prepare its evidence, stating that it discussed the proposed amended regulatory timetable with PKMJF and Parkland and that all parties consented to this request; and
- N. The BCUC has reviewed VAFFC's request and considers further amendment to the regulatory timetable is warranted.

NOW THEREFORE the BCUC orders that the regulatory timetable established by Order P-2-20 is amended, as set out in Appendix A to this order.

DATED at the City of Vancouver, in the Province of British Columbia, this 2nd day of June 2020.
