

**ORDER NUMBER
R-16-20**

IN THE MATTER OF
the *Utilities Commission Act*, RSBC 1996, Chapter 473

and

British Columbia Hydro and Power Authority
Application for Acceptance of a Mitigation Plan (Version 1) required for
Compliance with Mandatory Reliability Standard:
MOD-027-1 Requirement 4 – Violation ID: BCUC2020000721

BEFORE:

W. M. Everett, QC, Commissioner

on August 19, 2020

ORDER

WHEREAS:

- A. On August 12, 2020, the Western Electricity Coordinating Council (WECC), acting as the Administrator for the British Columbia Mandatory Reliability Standards Program (BC MRS Program), issued a Recommendation of Mitigation Plan (MP) Acceptance (Recommendation) to bring British Columbia Hydro and Power Authority (BC Hydro) into compliance with the reliability standard identified above;
- B. Section 125.2 of the *Utilities Commission Act* (UCA) assigns exclusive jurisdiction to the British Columbia Utilities Commission (BCUC) to determine whether a “reliability standard,” as defined in the UCA, is in the public interest and should be adopted in British Columbia;
- C. By Order G-123-09, the BCUC appointed WECC as its Administrator for registration and monitoring compliance pursuant to section 8 of the UCA. WECC’s role as Administrator for the BC MRS Program is pursuant to the Administration Agreement between WECC and the BCUC signed on October 8, 2009, and renewed on July 5, 2019;
- D. Order G-123-09 also approved the Compliance Monitoring Program (CMP) for monitoring and enforcement of adopted reliability standards and the most recent revisions to the CMP were approved by Order R-40-17, dated September 1, 2017;
- E. Pursuant to section 5.1.1 of the CMP an entity, subject to approved Mandatory Reliability Standards, found in Confirmed Violation of a reliability standard must prepare an MP to correct the Confirmed Violation or prepare a description of how the Confirmed Violation has been mitigated. Pursuant to section 5.3.2 of the CMP, an MP with respect to a Confirmed Violation must be submitted to the Administrator within ten days following confirmation by the BCUC;
- F. An MP with respect to a Possible Violation or an Alleged Violation may be submitted at any time and the BCUC encourages entities to mitigate all perceived instances of noncompliance upon detection;

- G. On May 28, 2020, BC Hydro submitted an MP to address the self-reported Possible Violation MOD-027-1 R4 with the proposed completion date of October 31, 2020, as shown below; and

Reliability Standard	BCUC Violation ID	Date MP (Version 1) Submitted to WECC	Proposed Completion Date
MOD-027-1 R4	BCUC2020000721	May 28, 2020	October 31, 2020

- H. The BCUC reviewed WECC's Recommendation and considers that acceptance of BC Hydro's MP (Version 1) for MOD-027-1 R4 is warranted.

NOW THEREFORE pursuant to section 125.2(10) of the UCA and in accordance with the CMP, the BCUC accepts BC Hydro's MP for MOD-027-1 R4 with the proposed completion date as identified in recital G above.

DATED at the City of Vancouver, in the Province of British Columbia, this 19th day of August 2020.

BY ORDER
