

ORDER NUMBER
G-218-22

IN THE MATTER OF
the *Utilities Commission Act*, RSBC 1996, Chapter 473

and

British Columbia Hydro and Power Authority
Application for Orders regarding the John Hart Dam Seismic Upgrade Project

BEFORE:

W. M. Everett QC, Panel Chair
E. B. Lockhart, Commissioner
A. Pape-Salmon, Commissioner

on August 09, 2022

ORDER

WHEREAS:

- A. On December 20, 2021, the British Columbia Hydro and Power Authority (BC Hydro) filed an application with the British Columbia Utilities Commission (BCUC), pursuant to section 44.2(1)(b) of the *Utilities Commission Act* (UCA), including a schedule of statement of capital expenditures BC Hydro has made or anticipates making during the period addressed by the schedule for implementation of the John Hart Dam Seismic Upgrade Project (Project) and seeking, pursuant to section 44.2(3) of the UCA, BCUC acceptance of the expenditure schedule as being in the public interest (Application);
- B. The Project is located at the existing John Hart Dam and Reservoir and John Hart Generating Station (John Hart Facility) on the Campbell River within the City of Campbell River boundaries on Vancouver Island. BC Hydro submits the proposed statement of capital expenditures will address deficiencies in the John Hart Facility related to its resistance to earthquake loading and operational reliability of its Spillway Gates Systems, and vulnerability to potential flow imbalance between the John Hart Dam and the upstream facility at Ladore Dam that could lead to the overtopping of the John Hart Dam;
- C. By Order G-17-22, dated January 24, 2022, the BCUC established a regulatory timetable for a review of the Application. The regulatory timetable was subsequently amended by Order G-110-22 dated April 26, 2022 and by Order G-160-22 dated June 13, 2022;
- D. By letter dated August 5, 2022, BC Hydro states it expects to file an updated Project Cost Estimate by October 7, 2022 and recognizes that the BCUC and interveners may have questions on the updated estimate; and
- E. The BCUC has reviewed the BC Hydro letter and determines that an amendment to the regulatory timetable is warranted.

NOW THEREFORE the BCUC orders that the regulatory timetable is amended as set out in Appendix A to this order.

DATED at the City of Vancouver, in the Province of British Columbia, this 9th day of August 2022.

BY ORDER
