on September 7, 2022

**ORDER**

**WHEREAS:**

- A. By email on October 6, 2021, a complaint was filed with the British Columbia Utilities Commission (BCUC) concerning, amongst other things, whether Wyse Meter Solutions Inc. (Wyse) was operating as a public utility at multiple premises in British Columbia (BC) (Complaint);
- B. On July 6, 2022, by Letter L-29-22, the BCUC suspended the Complaint and another four additional unresolved complaints against Wyse and determined that a public hearing to investigate Wyse's status as a public utility is warranted;
- C. By Order G-203-22 dated July 22, 2022, the BCUC established a regulatory timetable to conduct the review of Wyse's status as a public utility;
- D. By Order G-216-22 dated August 3, 2022, the BCUC amended the regulatory timetable in response to Wyse's request for additional time to provide public notice;
- E. On September 2, 2022, by letter, Wyse requested additional time to file responses to BCUC and Intervener information requests (IR) No. 1; and
- F. The BCUC has considered Wyse's request and determines that an amendment to the regulatory timetable for filing responses to BCUC IR and Intervener IR No. 1 is warranted.

**NOW THEREFORE** the BCUC orders the regulatory timetable amended by Order G-216-22 is further amended as set out in Appendix A to this order:

**DATED** at the City of Vancouver, in the Province of British Columbia, this 7<sup>th</sup> day of September 2022.
