**WHEREAS:**

- A. By email on October 6, 2021, a complaint was filed with the British Columbia Utilities Commission (BCUC) concerning, amongst other things, whether Wyse Meter Solutions Inc. (Wyse) was operating as a public utility at multiple premises in British Columbia (BC) (Complaint);

- D. By Orders G-216-22 dated August 3, 2022 and G-249-22 dated September 7, 2022, the BCUC amended the regulatory timetable in response to Wyse's request for additional time to provide public notice and to file responses to BCUC and Intervener information requests IR No. 1;
- E. On September 23, 2022, Wyse submitted responses to BCUC IR No. 1;
- F. On October 13, 2022, Wyse submitted responses to letters of comment; and
- G. The BCUC determines that establishing a further regulatory timetable is warranted.
