ORDER

WHEREAS:

- A. By email on October 6, 2021, a complaint was filed with the British Columbia Utilities Commission (BCUC) concerning, amongst other things, whether Wyse Meter Solutions Inc. (Wyse) was operating as a public utility at multiple premises in British Columbia (BC) (Complaint);

- D. By Orders G-216-22 and G-249-22, the BCUC amended the regulatory timetable in response to Wyse's request for additional time to provide public notice and to file responses to BCUC and Intervener IR No. 1;
- E. On September 23, 2022, Wyse submitted its responses to BCUC and Intervener IR No. 1;
- F. On October 13, 2022, Wyse submitted responses to letters of comment;
- G. On October 21, 2022, by Order G-294-22, the BCUC amended the regulatory timetable for a further round of BCUC and Intervener IR, with further process to be determined;
- H. On November 4, 2022, an additional letter of comment that was submitted on August 22, 2022, filed by Mr. Kevin Malone, was placed onto the evidentiary record; and
- I. The BCUC determines that a further amendment of the regulatory timetable is warranted.

NOW THEREFORE the BCUC orders the regulatory timetable amended by Order G-294-22 is further amended as set out in Appendix A to this order:

DATED at the City of Vancouver, in the Province of British Columbia, this 4th day of November 2022.
