ORDER

WHEREAS:

- A. On December 7, 2022, Lake Okanagan Resort (LOR) filed with the British Columbia Utilities Commission (BCUC) its Electrical Distribution Assessment Report (LOR Assessment Report) prepared by Falcon Engineering;
- B. By Order G-41-23 (Order) dated March 1, 2023, the BCUC established a public hearing process and a regulatory timetable for the review of the LOR Assessment Report (Hearing). In the Order, the BCUC directed LOR to provide notice of the Hearing to its customers; provide confirmation of compliance with notice requirements; provide proof of notice to the BCUC; submit a plan to the BCUC addressing the LOR Assessment Report, with further process to be determined at a later date;
- C. On March 29, 2023, LOR filed a request to extend the regulatory timetable, citing that due to a clerical error, it was unable to meet the deadlines outlined in the Order (Extension Request); and
- D. The BCUC has reviewed the Extension Request and considers an amendment to the regulatory timetable is warranted.

NOW THEREFORE the BCUC establishes an amended regulatory timetable as set out in Appendix A to this order.
