**Re: Buy Low Gas Marketing Inc. – A-4-24 July Additional Marketing Material**

Dear Mr. Dixon:

On July 30, 2025, Buy Low Gas Marketing, Inc. (BLG) filed marketing material (Marketing Material) with the British Columbia Utilities Commission (BCUC), pursuant to the condition on BLG's gas marketer licence set out in Directive 3(e)(ii) of Order A-4-24, issued by the BCUC on October 31, 2024. Directive 3(e)(ii) states:

3. This Gas Marketer Licence is subject to the following conditions:

... e. Pursuant to section 10 of the Rules, in order to maintain compliance with Licence Requirements, the following information must be submitted to the BCUC for review and approval, as it becomes available:

... ii. The most recent version of the documents submitted under Sections 8, 9, 10, 11 and 12 of the Licence Requirements prior to use.

Marketing material must be submitted to the BCUC pursuant to section 9 of the Licence Requirements included as Attachment 1 to the Rules for Gas Marketers.

**The Panel has reviewed and approves the Marketing Material.**

Some information in the Marketing Material is difficult to read due to the small font size. While acknowledging that this may not necessarily be the case when the ads are published individually, the Panel reminds BLG to use readable font sizes, as per Article 10 of the Code of Conduct for Gas Marketers.

Sincerely,

*Electronically signed by Sara Hardgrave*
