**WHEREAS:**

- A. On August 22, 2025, FortisBC Energy Inc. (FEI) applied to the British Columbia Utilities Commission (BCUC) for approval pursuant to sections 59 to 61 of the *Utilities Commission Act* (UCA) to cancel three tariff supplements (TS), outlined below (Application):
- i. TS J-42: Fueling Service Agreement (FSA) between FEI and P&R Truck Centre Ltd. (P&R), approved by Order G-146-18, on a permanent basis effective August 3, 2018, for CNG fueling services at the Mid Island Fueling Station. FEI states that the contract term expired on August 2, 2025 and P&R no longer requires fueling service from the station;
  - ii. TS J-53: FSA between FEI and Fresh Direct Produce Ltd. (Fresh Direct), approved by Order G-10-20, on a permanent basis effective January 15, 2020, for CNG fueling services at the Burnaby Operations Fueling Station. FEI states Fresh Direct no longer requires fueling service from the station; and
  - iii. TS J-56: FSA between FEI and Integrity Waste Solutions Inc. (Integrity), approved by Order G-28-24, on a permanent basis effective February 5, 2024, for CNG fueling services at the Burnaby Operations Fueling Station. FEI states Integrity no longer requires fueling service from the station.
- B. Under sections 6(c) of TS J-53 and 6(d) of TS J-56, the contracts can be cancelled for any reason by the customer or FEI;
- C. The Application also includes proposed housekeeping updates to the Index Pages for FEI's tariff supplements to correct typographical errors in the Renewal Terms referenced for TS J-2 and TS J-32, and to revise the site names for TS J-7, TS J-8, TS J-22, TS J-23, TS J-66, and TS J-77 to reflect a standardized designation of "GFL Abbotsford Site" for consistency; and

- D. The BCUC has reviewed the Application and determines that rescindment of TS J-42, TS J-53 and TS J-56 and approval of housekeeping updates to the Index pages for FEI's tariff supplements are warranted.
