WHEREAS:

- A. On April 2, 2025, Tidewater Midstream and Infrastructure Ltd. (Tidewater) filed a complaint (Complaint) with the British Columbia Utilities Commission (BCUC) regarding the calculation by Plateau Pipe Line Ltd. (Plateau), a wholly-owned subsidiary of Pembina Pipeline Corporation, of the final tolls to be charged to Tidewater by Plateau for the 2022 to 2024 contract years on the northern segment of the western pipeline system;
- B. By Order G-119-25 dated May 13, 2025, the BCUC adjourned the proceeding to review the Complaint pending an update from Tidewater, by no later than September 1, 2025, regarding Tidewater and Plateau's efforts to reach a commercial resolution to the issues raised in the Complaint;
- C. By Order G-215-25 dated September 4, 2025, the BCUC continued the adjournment pending a further update from Tidewater by no later than October 1, 2025;
- D. By letter dated October 1, 2025, Tidewater withdrew the Complaint, noting that it has determined that it is no longer necessary to pursue this matter before the BCUC as the parties have reached a commercial resolution to the issues raised in the Complaint. Tidewater requests that the BCUC discontinue the Complaint proceeding and close its file on this matter; and
- E. The BCUC has reviewed Tidewater's request and considers the following determination to be warranted.

NOW THEREFORE the BCUC orders that the Complaint is closed.
